

APPLICATION FOR LEAVE OF ABSENCE FOR PUPIL DURING TERM TIME

Leave of absence may only be granted by a person authorised in that behalf by the proprietor of the school.as from 1st September 2013, the Education (Pupil Registration) (England) (Amendment) Regulations 2013 amended Regulation 7 to prohibit the proprietor of a maintained school from granting leave of absence to a pupil, except where an advance application has been made by the parent with whom the pupil normally resides, and the proprietor considers that there are exceptional circumstances relating to education.

Taking your child out of school during term time could be detrimental to your child's educational progress. A pupil who takes 10 days absence will only attain 94.7% attendance in the year. 10 days absence also means the pupil will miss 50 hours of education.

There is no entitlement to parents to take their child out of school during term time, however, you may apply to the school for leave of absence if you believe there are exceptional circumstances.

If the absence is not authorised and the absence is taken, the case will be referred to the Education Welfare Service who may issue a Penalty Notice for £120 (or £60 if paid within 21 days) to each parent for each child taken out of school. **The matter will also be recorded on your child's school record.**

I apply for this holiday on the understanding that I have considered the following:

- this absence might affect my child's learning
- my child will miss areas of teaching and learning that might not be re-visited for some time
- the amount of time my child has already missed through illness/appointments/other absences etc.
- it is my responsibility as a parent/carer to find out about any important school information which I may have missed.
