Writing	50%	25%
Mathematics	50%	25%

Provision

Assessment conversions used in the Learning Standard Meetings have resulted in the alteration of provision for many children in receipt of pupil premium. Using the Autumn 1 data there has been a change in subject focus for many pupils working with the allocated LSA, as well as other pupils now receiving provision from members of our HLTA team as an alternative. There are also some pupils for which the funding will be used in an alternative way i.e. purchasing books for home.
